Rizzoli International Publications, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. The first authorized photographic tribute to the prolific and wildly inspiring ballerina, these unique and evocative artful color photographs by the celebrated photographer Gregg Delman, capture Misty's grace and strength, and are much anticipated by the worldwide audience who can't get enough of Misty. This stunning volume of photographs captures the sculpturally exquisite and iconic ballerina. Misty Copeland has single-handedly infused diversity and personality into the insular world of ballet, creating an unexpected resurgence of appreciation within contemporary popular culture. Her story is famously what movies are made of, and in 2015 she became an icon and household name when she became the first African-American female principal dancer in the long and prestigious history of the American Ballet Theatre. Copeland's physique is what sculptures are modeled on, heralding the new physical ideal of strength and athleticism, beauty and grace. Misty Copeland is a collection of gorgeous, artful photographs, taken in many studio visits from 2011 through 2014. Delman's talent for capturing movement is reflected in these images, which range from formal ballet positions to more athletic poses and candid moments, all together building an intimate portrait of Copeland as an athlete, an artist, and a woman. With striking and vibrant color photographs, this incredibly intimate volume is a visual tribute to the brilliant mystique of Misty Copeland, showcasing both her grace and strength.
