THE GREAT DEBATE: A HANDBOOK FOR POLICY DEBATE AND PUBLIC FORUM DEBATE

Lightningbolt Press, United States, 2013. Paperback. Book Condition: New. 277 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. The Great Debate provides students a premier resource for learning the art of debate and developing the skills they need to succeed in the debate round, in the classroom, and in the real world. Written in a conversational style with the debate student in mind, this book begins by discussing general debate principles and then offers specific insights into the numerous facets of both public forum debate and policy debate. From basics to more advanced topics, The Great Debate is an invaluable resource for debaters of all experience levels. The Great Debate introduces public forum debate, a recent addition to the competitive debate landscape. Unlike many other debate styles, public forum debate does not require special debate vocabulary or knowledge of detailed theory from either participants or judges. Public forum debate focuses on developing debaters who can persuade any audience to support a particular position through a series of short back and forth speeches which mimic the real world debates on television between pundits and politicians. The Great Debate equips students to begin competing in this highly relevant debate format. The Great Debate also provides a foundation for students in policy debate. Policy debate requires debaters to extensively research and analyze a particular topic of public policy. Debaters generally propose that the government take a particular course of action or change a law. Students develop significant knowledge of a particular public policy topic and gain strong research skills. Policy debaters are comfortable prioritizing arguments to present in a short speech and learn to use cost-benefit-analysis to evaluate public policy options. The Great Debate gives students the tools to begin competing in competitive policy debate. The Great...
