With that said BODY LANGUAGE is one of the least studied yet most important aspects of communication. Over 60 of your message is delivered through non verbal / physical cues that your body gives off. This book will focus on the different aspects of non-verbal communication, the specific movements and signs to look for. The book is divided into chapters that deal with the main areas of the body where non-verbal signals can be found. These areas are; the head and eyes, the arms and hands; the legs and feet. Of these one of the most significant areas in non-verbal communication are the hands and these are examined in most detail. The last...
