

## From Trinity to Trinity (Paperback)

By Kyoko Hayashi

Barrytown Ltd ,U.S., United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. FROM TRINITY TO TRINITY recounts the pilgrimage of Japanese atomic-bomb survivor Kyoko Hayashi to the Trinity Site in northern New Mexico, where the world's first atomic bomb test was conducted. Her journey takes her into unfamiliar terrain, both past and present, as she not only confronts American attitudes, disconcertingly detached from the suffering of nuclear destruction, but discovers as well a profound kinship with desert plants and animals, the bomb's first victims. Translator Eiko Otake, a renowned artist in dance (Eiko Koma), offers further insight into Hayashi's life and work, illuminating how her identity as outsider helped shape her vision. Together author and translator present one woman's transformation from victim to witness, a portrait of endurance as a power of being against all odds.

### Reviews

*Most of these ebook is the best publication available. It is definitely simplistic but unexpected situations within the 50 percent of the book. You will not sense monotony at any moment of the time (that's what catalogs are for relating to in the event you request me).*

-- **King Wunsch**

*It becomes an remarkable publication that I have possibly go through. Better then never, though i am quite late in start reading this one. I am just delighted to inform you that this is basically the best ebook we have study inside my individual existence and can be he greatest book for actually.*
