To help every kid fall in love with at least one field of knowledge, our students must encounter our fields most galvanizing, tantalizing, and pivotal documents. This book is about making those encounters as compelling as we can make them. -Harvey Smokey Daniels and Steven Zemelman We are specialists to the bone-in science, math, social studies, art, music, business, and foreign language. But now, the Common Core and state standards require us to help our students better understand the distinctive texts in our subject areas. Nobodys making us into reading teachers, write Smokey Daniels and Steve Zemelman, but we must become teachers of disciplinary thinking through our students reading. If this shift sounds like a tough one, Subjects Matter, Second Edition is your solution. Smokey and Steve, two of Americas most popular educators, share exactly what you need to help students read your nonfiction content closely and strategically: 27 proven teaching strategies that help meet-and exceed-the standards how-to suggestions for engaging kids with content through wide, real-world reading a lively look at using boring textbooks motivating instruction thats powered by student collaboration specifics for helping struggling readers succeed. Subjects Matter, Second Edition enables deep, thoughtful learning for your students, while keeping the irreverent, inspiring heart thats made the first edition indispensable. Youll discover fresh and re-energized lessons, completely updated research, and vibrant vignettes from new colleagues and old friends who have as much passion for their subjects as you do.
