Kensington Publishing, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. First, Vanessa Kelly brought readers The Renegade Royals. Now, in a delightfully witty new series, she introduces The Improper Princesses three young women descended from royalty, each bound for her own thrilling adventure . . . Despite being the illegitimate daughter of a prince, Gillian Dryden is happily ignorant of all social graces. After growing up wild in Italy, Gillian has been ordered home to England to find a suitable husband. And Charles Valentine Penley, the excessively proper, distractingly handsome Duke of Leverton, has agreed to help transform her from a willful tomboy to a blushing debutante. Powerful and sophisticated, Charles can make or break reputations with a well-placed word. But his new protegee, with her habit of hunting bandits and punching earls, is a walking scandal. The ton is aghast . . . but Charles is thoroughly intrigued. Tasked with taking the hoyden in hand, he longs to take her in his arms instead. Can such an outrageous attraction possibly lead to a fairytale ending? Praise for Vanessa Kelly s Renegade Royals series Will definitely resonate with fans of Mary Jo Putney and Joanne Bourne. Booklist Kelly combines diverting dialogue, delightful surprises and finely tuned pacing to make this a winner. Publishers Weekly (starred review).
