By -

SLACK Incorporated, United States, 2015. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. Curbside Consultation in Glaucoma: 49 Clinical Questions has been updated into a Second Edition ! The Second Edition contains new questions and is completely updated! Curbside Consultation in Glaucoma, Second Edition contains new questions and brief, practical, evidence-based answers to the most frequently asked questions that are posed during a curbside consultation between surgical colleagues. Dr. Steven J. Gedde and associate editors Dr. Dale K. Heuer, Dr. Richard A. Lewis, and Dr. Joseph Panarelli have assembled the top glaucoma consultants from the United States and abroad to offer expert advice, preferences, and opinions on tough clinical questions commonly associated with glaucoma in this updated reference. The unique QA format provides quick access to current information related to glaucoma in the simplicity of a conversation between two colleagues. Numerous images, diagrams, and references are included to enhance the text and illustrate surgical pearls. Some of the questions that are answered inside the Second Edition include: What imaging technology is best for diagnosing glaucoma? For detecting progression? What new methods are available to measure intraocular pressure? Are any devices available for continuous monitoring of intraocular...
