

Ensley and Tuxedo Junction

By David B Fleming, Mary Allison Haynie

Arcadia Publishing (SC), United States, 2011. Paperback. Book Condition: New. 236 x 163 mm. Language: English . Brand New Book. With dreams of building a vast steel production operation, Memphis planter Enoch Ensley founded a city in the wooded valley at the heart of Jefferson County, Alabama. He named the city Ensley, after himself, and established the Ensley Land Company to acquire and develop 4,000 acres for industrial facilities and a town. As field workers left their farms to work in steel mills and businesses sprang up on the valley floor, Ensley became a diverse place of hopes and desires. A strong community of churches, businesses, civic clubs, and neighborhoods developed around the factories and railroads. Jazz music was the social thread of Ensley's African American community, known as Tuxedo Junction. Musicians such as Erskine Hawkins famously mastered the style. The annexation of Ensley into Birmingham established the Magic City as the largest and wealthiest in Alabama and the heart of the Southern steel manufacturing economy.

These types of book is the perfect pdf available. I actually have study and that i am sure that i will planning to read through again again in the foreseeable future. Its been designed in an exceedingly basic way which is simply soon after i finished reading through this publication in which basically changed me, modify the way i believe.
