The study develops several themes of Eisenhower's life -competitiveness, individualism, use of others' talents, and problem-solving ability - and shows how they came into play during the year at Leavenworth. The study explores Eisenhower's preparation for the course, the extreme lengths which were required to gain him entrance, his motivation for excellence, his methods of study, his selection as honor graduate, and how the course prepared him for his future. The study corrects several factual errors perpetuated by biographers,...
