Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Engineering Experiment Station of Iowa State College, Vol. 2: The Good Roads Problem in Iowa By a law of the Thirtieth General Assembly, passed April 13, 1904, the legislature of Iowa made the Iowa State College the State Highway Commission. By the Board of Trustees of the College the work was intrusted jointly to the Deans of the Divisions of Agriculture and Engineering. The appropriation for carrying the law into effect became available July 1, 1904. After a careful search for a suitable man Mr. T. H. MacDonald was engaged as assistant in the work, and vigorous steps were taken to carry out the requirements of the law. A large amount of preliminary work has been done, not the least item of which has been a careful general study of the good roads problem in Iowa. It is thought that a preliminary report of some of the results of this general study will be of interest, and such report is presented in this bulletin. Law Creating the Iowa State Highway Commission. Chapter 105. Highway Commission. H. F. 371. An...
