The Complete Pregnancy Journal: Monitor Your Pregnancy Week by Week for a Safe and Healthy Baby Pregnancy is one of the wonderful things that will ever happen to a woman. It brings amazing and challenging changes in the different aspects of a woman's life such as physiological and emotional. Breasts will become tender, feet will swell, different food preferences and distinct smelling abilities are some of what a woman will experience during pregnancy. During this stage in a woman's life, the body needs more nutrition for the mom-to-be and the baby inside her womb - the developing fetus. This e-book is all about monitoring pregnancy week by week for a healthier mother and child. It can be read by anyone - someone who is planning to get pregnant and someone who is pregnant. If you belong to anyone of this group of women, this material will help you take a healthier journey of pregnancy. This e-book can serve as a guide as well to your partner who wants to know more about pregnancy to better understand what you are going through. What can you expect from this e-book? Each chapter of this e-book discusses the week by week journey of a pregnant woman which will be divided into several parts: what to expect about your baby's development; what to expect you will experience and feel; what to do for the specific week to cope with the changes and how to have a healthier and happier pregnancy. This will help you understand more about pregnancy especially if you are a first-time mother. This will equip you with the proper information. It will serve as a guide on what you need...
