Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.God why me? Sitting in a puddle of my own tears balled up in a fetal position. I m feeling like these four walls are caving in on me. It s pitch black. I can t see or think. My heart is racing. I ve finally lost it. My screams are getting louder and louder. How did I get to this point in my life? How did I become exactly what I set out not to be? A statistic! Living the life where poverty and violence is the normal. And success is just a dream. How can I try to instill the quality of life into my children when all I have been exposed to is this? I m constantly torturing myself and haunted by the creativity that flows through me. Oh how I wish there was a rewind button. I need to escape. This darkness is eating my soul. As I crawl closer and closer I could hear a soft voice whispering just take it. End it all. What do you have to live for? With my hand shaking grasping the bottle a strange feeling came upon me. A warm and peaceful sensation came...
