## UP STREAM: AN AMERICAN CHRONICLE (CLASSIC REPRINT)

Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Up Stream: An American Chronicle The world is full of stories and many of the stories are true. But they are not true enough. An artistic pattern comes between the teller of the tale and his reality, or a vague fear of stupid and malicious comment or - especially in America - a desire to avoid singularity. Yet, somehow, we must master life or it will end by destroying us. We can master it only by understanding it and we can understand it only by telling each other the quite naked and, if need be, the devastating truth. Some such perception and some such motive is in the consciousness of every serious novelist and in that of every thinker. But the novelist sacrifices to a form and the thinker to a system. Each has had an anterior vision into which he lets his facts and even his emotions melt And this anterior vision - of a fable in the one case, of a logical structure in the other - is nothing but a mask. For both the novelist and the philosopher is only an autobiographer in disguise. Each writes a confession; each is a lyricist at bottom. I, too, could easily have written a novel or a treatise. I have chosen to drop the mask. It is not a simple thing to do. One likes to be decorous. The folds of this mantle of civilization we wear in public, and often enough, in private, are graceful and accustomed. They give a dignity to the figure that the mind may lack. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find...
