Health Communications Inc. Paperback. Book Condition: New. Paperback. 142 pages. Dimensions: 8.3in. x 5.4in. x 0.5in. Co-dependency is the denial or repression of the real self. It is based on the wrong belief that love, acceptance, security, success, closeness and salvation are all dependent upon one's ability to do the right thing. In the process, the co-dependent denies who he really is. Once addicted, the codependent becomes blind to the reality of his own behavior and to his own self-worth. A witty and well-told story, *Lost In The Shuffle* is written for those who seek to find themselves and break free of their troubled past and their present addiction to the rules the co-dependent lives by. Robert Subby presents new insights in an earthy, honest manner and shares the process of recovery with all who have been lost in the shuffle. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
