Brand New Book ***** Print on Demand *****.You've been a lectionary preacher throughout your ministry. You like the discipline of dealing with the scripture of the week rather than just grabbing something that is easy for you to handle. You're willing to preach on the hard stuff. But what about the rest of scripture, those passages that never appear in the weekly readings from the Revised Common Lectionary? Are you and your congregation missing something that could be of great benefit? Dr. David Ackerman, who writes the introduction to *From Words of Woe to Unbelievable News*, felt the need to cover more of scripture and proposed a fourth year lectionary that covered passages that are not included in the Revised Common Lectionary. In turn, Dr. Bob Cornwall, a pastor highly qualified for the task, chose to use these texts in a series of sermons for Lent and Holy Week. He preached those sermons in 2014. We now offer these sermons in this Topical Line Drives volume. One of the stumbling blocks with new ideas is the question of how one gets started. It's sometimes hard to find just the approach to take to a new set of texts and a new set of ideas. Bob Cornwall leads the way, finding timely and powerful applications of these difficult texts. Besides being a resource for pastors, these sermons provide meditations that can be used as the basis for a Lenten study or for small groups.
