DALIT EXCLUSION AND SUBORDINATION

[DOWNLOAD](#)

Rawat Publications, 2013. Hardcover. Book Condition: New. Dust Jacket Condition: New. 1st Edition. This book is an attempt to explore the construction of the Dalits as a social, economic and political category, the historical background which led to such conceptualization and their position in Indian society today. The author argues that in spite of the efforts made by the state to ameliorate the conditions of Dalits, an appalling state of discrimination, exploitation and atrocities still persists based on the traditional ritual subordination. Untouchability is deep-rooted in our society. While it has come to be more of a mindset in urban areas, it is more tangible and visible in rural areas, where even one's physical touch is still prohibited. It has now passed from one generation to the other through socialization processes and the untouchables have continued to suffer innumerable forms of discrimination, exploitation and even socio-economic disability. It is against this backdrop that the book gives a panoramic view of the conditions of Dalits in Indian society. It will be useful for social scientists, teachers and students in both India and abroad.
