On-The-Test Pub. Paperback. Book Condition: New. Paperback. 128 pages. This is a license-test-outline-based review of testable real estate textbook subject matter. It covers principles and practice material that appears on the general portion of license exams used in multiple states. This Kindle edition complements the print version nicely by being a ready-made audio book on Kindle and many other eReaders. It is the only book on the market for PSI written by a test development specialist and former insider for a PSI competitor in charge of that company's real estate test development for more than twenty states, including current PSI client states Colorado, Hawaii, Kentucky, Minnesota, New Jersey, Pennsylvania, South Carolina, and Tennessee. So where other authors guess, this one knows from years of hands-on preparation of actual real estate licensing exams nationwide! It includes a full-length, 80-question sample test written to match PSIs exam specifications. The answer key is prepared for text-to-speech easy read-back and is followed by simple instructions on...
