AGAINST COMMON SENSE: TEACHING AND LEARNING TOWARD SOCIAL JUSTICE

[DOWNLOAD](#)

Taylor Francis Ltd, United Kingdom, 2009. Paperback. Book Condition: New. 2nd Revised edition. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The phrase teaching for social justice is often used, but not always explained. What does it really mean to teach for social justice? What are the implications for anti-oppressive teaching across different areas of the curriculum? Drawing on his own experiences teaching diverse grades and subjects, Kevin Kumashiro examines various aspects of anti-oppressive teaching and learning in six different subject areas. Connecting practice to theory through new pedagogical elements, the revised edition of this bestselling text features: * A new and timely preface that considers the possibilities of anti-oppressive teaching and teaching for social justice in the face of increasing pressure from both the Right and the Left to accept neoliberal school reform policies. * End of chapter questions that enhance comprehension of arguments, help concretize abstract ideas into classroom practice, and encourage critique. * A sampling of print and online resources that will inspire students to further their social justice education The new pedagogical components of the revised edition will offer K-12 teachers and teacher educators the tools they need to teach against their common sense assumptions and continue the evolution of social justice in education.
