It is a story. There are two characters - a middle-aged married couple living in a plain farmhouse; one point on the field of human nature is located; at that point one subject is treated; in the treatment one movement is directed toward one climax; no external event whatsoever is introduced; and the time is about forty hours.

### Reviews

*A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).*
