Read fantasy at its most magical and finest in Dragon Scale: The Medallion. About the Author: Dorothy L. Smith has wanted to write since high school. But somewhere along the line life and work got in the way. In due time, however, she returned to the University of Central Oklahoma, got her M.A. in English, taught for a while, then began again to write. Now she resides on her farm in the Sooner State, with her family, where she raises goats and sheep but no more pigs. Her familiarity with and love of the land is evident in her writing. Dorothy is also a member of the Gold Prospectors of America. In fact, Dorothy keeps herself so busy that her husband Richard advises her to stop, rest and write.
