Reviews

This kind of publication is every little thing and taught me to looking ahead of time and a lot more. It is packed with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Ida Herman)

FREDERIQUE: THE TRUE STORY OF A YOUTH TRANSFORMED INTO A GIRL

Delectus Books, London, 1998. Hardcover. Book Condition: New. Dust Jacket Condition: New. Tack (illustrator). First English Edition. A young Orphan, Fred de Montignac, is left in the charge of his aunt, the Baroness Saint Genest, an imperious aristocratic woman eager to dominate and transform her useful charge into a docile and lovely young lady, Frederique. During this process of change the Baroness dresses him in Female clothes and teaches him feminine poise and manners while using him as her personal slave and sissy maid, administering various forms of discipline to ensure his complete obedience and ultimate compliance. Originally published by the Select Bibliotheque of Paris in 1921, this marvelous transvestite tale has been translated into florid English for the first time by Valerie Orpen and is the only edition to include all 16 illustrations from the French edition. Introduction by Michael R. Goss."A rare Masterpiece. .elegantly designed.exquisite illustrations .not just a superb book but also an object of beauty to be treasured." New York Press. "Fascinating, well written, superb illustrations, a must for the serious collector of transvestite stories." Beaumont Society Magazine. "Frederique is important to scholars not only in giving insight to the fantasy world of cross-dressing of over seventy years ago, but also for showing how many of the same themes in cross-dressing fantasy have remained persistent over several generations. I am also certain that the current generation of readers of fantasy fiction will find it an interesting read." Vern Bullough author of Cross-Dressing, Sex and Gender. Size: 8vo - over 7¾" - 9¾" tall.
