Brand New Book ***** Print on Demand *****.If you've dreamed of buying your own home, we have some very good news. Despite the housing crisis, and the recession of 2008, it's a very good time to buy your own home with a range of financing options available for nearly any budget. Smart homebuyers are still buying homes and they're doing it with the right information upfront, while still investing in a future that's as solid and time honored as ever. This book is for anyone who wants to know the basics of purchasing a home with their eyes wide open and their bank account intact. In clear, reasonable and detailed explanations you get everything you need to know to buy a home, even with less than perfect credit. But don't start shopping for homes without understanding: Secrets for shopping for new and previously owned homes Bank foreclosed opportunities and the first steps for purchasing any home Loan pre-approval and what it means to you 30 year and 15 year fixed mortgage loans as well as adjustable rate mortgages Finding and qualifying for the mortgage that's best for you Buying a house the first time, or after previous financial turmoil, can be intimidating. This is a complete crash-course in home buying for anyone interested in the insider's perspective on the process. With creative ways to finance your loan and a solid understanding of your FICO score, you also get complete information on what you can expect and even how you'll be treated. The purchase of your home is more than just homework. This book is designed to provide everything you need to know to buy your house, secure...
