Although Devin Montlake loves his orderly life as a barrister, he's determined to follow his roadmap to achieve his goal of becoming a judge. His biggest obstacle seems to be convincing his headstrong fiancée to fulfill her social obligations with a modicum of propriety. But when the jewelry collection belonging to Cecilia's family is stolen the night before it is to be auctioned off and Devin is framed for the crime, he discovers that following his much-loved rules won't solve this particular problem. He'll need the inventiveness of his irrepressible fiancée to catch the thief.
