THE ORIGINAL GHOST WALK OF WHITBY-THE TOUR IN A BOOK.

Createspace, United States, 2013. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the most definitive collection of Whitby Ghost stories to be published in the last ten years. This popular book, now in authors edition, covers all Whitby s well known supernatural tales, plus many not so well known stories. Complete with black and white photographs this volume provides a haunting view of this ancient seaport. Fast paced and full of interesting details this book is written as an Original Ghost Walk of Whitby guide would deliver it. This is not a book of hyped up descriptions of fictional phantoms, the stories in this volume are of a good provenance and are a genuine representation of Whitby s supernatural heritage. This volume deals with not only ghosts and superstitions but also the factual background to the story of Dracula (where truth is stranger than fiction). Prepare to be chillingly entertained as a guest of the Original Ghost Walk of Whitby from the comfort of your armchair.
