

Nexus: Hub of the Multiverse (Paperback)

By D Jason Wofford

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.At the center of the multiverse, orbiting a blue dwarf star in the core of the first universe, an impossible metropolis sprawls across an isolated planet remnant and its eleven satellites. Some call it Primos Urbem, The First City. Most who learn of this multiverse hub call it Nexus. Slab Tech connects Nexus to other universes in the multiverse. Nexus slabs project the user s consciousness into a body inhabiting an alternate reality for a time. Slabs in other universes physically send the user to Nexus. Welcome to Nexus, home of the lost and found.
