LAP Lambert Academic Publishing Nov 2013, 2013. Taschenbuch. Book Condition: Neu. 220x150x6 mm. This item is printed on demand - Print on Demand Neuware - Living in a fast-paced, increasingly global society, we often lose touch with our personal and collective heritage. When we forget where we have come from, we find it hard to see clearly where we are going and can easily be overwhelmed with our circumstances. Using Scandinavian immigrant culture as a backdrop, this book presents an integrated multiple intelligences approach to teaching Kindergarten and elementary students about their musical, historical, and cultural inheritance. Eight themes form the framework of this Music and Arts curriculum which raises awareness of a single specific culture through their music, dance, art, and food preferences. Student curiosity is stimulated regarding their own heritage, increasing communication with their family members and greater self-knowledge. A valuable asset for teachers seeking to integrate core subjects with the arts and cultural activities using various learning styles and multiple intelligences, parents and individuals will also benefit from and enjoy this journey into the past. 104 pp. Englisch.
