What They Saved: Pieces of a Jewish Past

By Nancy K. Miller

University of Nebraska Press. Paperback. Book Condition: new. BRAND NEW, What They Saved: Pieces of a Jewish Past, Nancy K. Miller, After her father's death, Nancy K. Miller discovered a minuscule family archive: a handful of photographs, an unexplained land deed, a postcard from Argentina, unidentified locks of hair. These items had been passed down again and again, but what did they mean? Miller follows their traces from one distant relative to the next, across the country, and across an ocean. Her story, unlike the many family memoirs focused on the Holocaust, takes us back earlier in history to the world of pogroms and mass emigrations at the turn of the twentieth century. Searching for roots as a middle-aged orphan and an assimilated Jewish New Yorker, Miller finds herself asking unexpected questions: Why do I know so little about my family? How can I understand myself when I don't know my past? The answers lead her to a carpenter in the Ukraine, a stationery peddler on the Lower East Side, and a gangster hanger-on in the Bronx. As a third-generation descendant of Eastern European Jews, Miller learns that the hidden lives of her ancestors reveal as much about the present...

Reviews

It is in a single of the most popular publication. Sure, it really is engage in, still an interesting and amazing literature. Your life period will be change the instant you full reading this book.
