Outskirts Press, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I began my quest for the Supreme Being over 2000 years ago. I was a famous conqueror in that life. I loved only one thing then: myself. Life gave me one success after another, and I thought I would conquer eternity. I was seen as the favored of the gods. In the end came the encounter with Truth. I was humbled by death. My eyes opened. I realized there is a Supreme Reality that no one can conquer. I surrendered to it. The quest for the true began in me. I lived many lives after that in this quest. I meditated in complete devotion, spent many hours in introspection, explored the mysteries of Creation, reasoned, surrendered to Great Masters and received guidance and blessings. Finally the Supreme Being revealed itself. I awakened to the Supreme Reality. I found the ultimate freedom and joy. This book was revealed during my experiences with the Supreme Being. The mind cannot come to rest without this knowledge. Deep within, we...
