The dissertation, never separately published, is now fully incorporated in the present, rather longer, study of the influence of Boccaccio's works over Chaucer's, and herewith makes its first appearance in print, with its earlier crudities, the writer fears, at times all too imperfectly removed. Very early in my investigation of the Chaucer-Boccaccio problem I perceived to my regret that I should have more to do than to review and summarize. I saw that it would be my duty, also, to challenge several of the results of earlier, and very earnest investigation; but, to weigh very critically the results of other's labours, I soon realized was an inevitable function of scholarship, and so reconciled myself to the role of quasi-iconoclast. It was, accordingly, very much in the belief that an absolute truth can no more readily be obtained in the field of scholarship than in the field of philosophy, that the present investigation was undertaken. And the work was pursued only in the hope that an approximate form of truth might be obtained, which might prove of value to students of Chaucer problems. Were the riddle in the relations...
