Jessica Kingsley Publishers. Paperback. Book Condition: new. BRAND NEW, Music Therapy in Children's Hospices: Jessie's Fund in Action, Mercedes Pavlicevic, Victoria Wood, Lesley Schatzberger, The use of music therapy in children's hospices has burgeoned since its introduction by Jessie's Fund in the mid-90s. This moving and extremely helpful text brings together the experiences of eleven music therapists working with children who are in the final stages of life-limiting illness. The contributors adapt music therapy to hospice environments and explore key concerns for all practitioners, including how to empower ill children and their families, how to help bereaved siblings, and how the therapists themselves find support. The book celebrates the communities created through an inclusive music therapy practice with children, their families and hospice staff. This text is essential reading for all music therapists working in palliative care and for health care professionals considering introducing music as a therapy.
