

Understanding Martin Amis (Paperback)

Filesize: 4.8 MB

Reviews

Completely essential read through publication. It normally does not expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Morris Cruickshank)

UNDERSTANDING MARTIN AMIS (PAPERBACK)

[DOWNLOAD PDF](#)

University of South Carolina Press, United States, 2004. Paperback. Condition: New. Second Edition. Language: English . Brand New Book ***** Print on Demand *****.Understanding Martin Amis is a comprehensive guide to the novels, short stories and non-fiction by one of Britain's most highly acclaimed and controversial authors. Building on the first edition, of 1995, James Diedrick draws on personal interviews, reviews and criticism to map the distinctive features of Martin Amis's imaginative landscape - the sociosexual satire of *Money* and *Yellow Dog* , the bold experimentation of *Time's Arrow* and *Night Train* , and the provocative blend of autobiography and cultural analysis in *Experience* and *Koba the Dread* . Diedrick illustrates how Amis has reshaped the British literary landscape, expanding its stylistic and thematic range while creating forms adequate to the experience of postmodernity. Diedrick analyzes an increasing cultural conservatism in Amis's work, rooted in Amis's relationship with his father, the novelist Kingsley Amis. During his early career, the younger Amis opposed his father's political and aesthetic conservatism. But his opposition has given way to frequent expressions of political and literary solidarity. Diedrick shows how this filial relationship continues to shape the son's outlook and writing. Diedrick also identifies two complementary impulses in Amis's work. The first is journalistic and satirical, expressed in an incisive wit aimed at contemporary social realities. The second is aesthetic, manifesting a Nabokovian love of verbal play and formal experimentation. Besides analyzing the ways Amis's fiction forges the topical into the literary, Diedrick argues for the importance of Amis's considerable journalistic oeuvre and provides close readings of his non-fiction collection and his uncollected essays and reviews.
