

## Understanding Evolutionary Biology

By Rajeev Tyagi

Discovery Publishing House Pvt. Ltd., 2011. Hardcover. Book Condition: New. The present title ? Understanding Evolutionary Biology? has been written for those students interested in careers in diverse fields of biological sciences. It provides a structured approach to learning by covering all the important topics in a uniform, systematic format. The book has been comprehensively designed incorporating recent advances in this fast moving field. It also provides accessible information on evolutionary biology in compact form for undergraduate students in biology and related life sciences. It is intelligible to the educated layman, though it deals with some complex ideas. It is an adequate text for all the requirements of students in this area. In addition, busy lecturers who require a quick reference compendium will find it useful, particularly for tutorial planning. Simple, yet hopefully clear figures and tables are provided throughout the book.
